

# Federal Government Capabilities Statement

Humanscale Corporation  
Corporate HQ: 11 E. 26<sup>th</sup> Street, New York, NY 10010  
Factory: 220 Circle Drive, Piscataway, NJ 08854

## Company Overview

Humanscale is the leading manufacturer of ergonomic products for the office environment. Its diverse product range is designed to maximize comfort and minimize long-term health risks for desk- and computer-bound workers. Adhering to the philosophy that technology should make complicated things simple, Humanscale strives to design products that combine uncompromising function, honest aesthetics, superior sustainability and ultimate ease-of-use.

## Key Personnel

- Lynda M. Dehn: National Director, Global Accounts
- Elliot Balis: National Director, Federal Government
- Audrey Knable: Contract Compliance Manager
- Katie Miglin: Contract Administrator

## Products

Humanscale offers a number of ergonomic office furnishings on GSA contract, including:

- Seating: Task, conference and side chairs, including the award-winning Freedom, Liberty, World and Cinto lines.
- Keyboard Supports: An advanced line of keyboard mechanisms, keyboard platforms and mousing platforms, including the 2G, 4G and 6G.
- Monitor Arms: Strong and stable dynamic support solutions, such as the M7 and M8.
- NeatLinks: An under-desk cable management solution to organize wire clutter.
- Lighting: Diffrient Work Light II, Element Classic and Vision.

Please note: Only certain Humanscale model numbers are GSA compliant. Please contact your local Humanscale Representative for a full list of GSA compliant model numbers.
